## Ayer's Cherry Pectoral

For Diseases of the

Throat and Lungs, such as Coughs, Colds,

Whooping Cough,

Bronchitis, Asthma, and Consumption.

The reputation it has attained, in consequence of the marvellous cures it has produced during the ast half century, is a sufficient assurance to the public that it will continue to realize the happlest results that can be desired. In almost every section of country there are persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. and where its virtues are known, no one hesitates as to what medicine to employ to relieve the disress and suffering peculiar to pulmonary affections. CHERRY PECTORAL always affords instant relief, and performs rapid cures of the milder varieties of bronchial disorder, as we as

he more formidable diseases of the lungs. As a safeguard to children, amid the distressng diseases which beset the Throat and Chest of Childhood, it is invaluable; for, by its timely use, This medicine gains friends at every trial, as the cures it is constantly producing are too remarkable to be forgotten. No family should be without it, and those who have once used it never will.

Eminent Physicians throughout the country prescribe it, and Clergymen often recommend it from their knowledge of its effects.
